Thermal Lumbar Support

Ideal for men and women needing treatment for minor back aches and pains resulting from sprains, muscle soreness and strains, cramping, or contusion (bruising) and can be worn during activity or when standing or sitting for an extended period of time. Features a reusable, soft gel pack insert that can be heated in the microwave for therapeutic heat or chilled in the freezer for cold therapy. A mesh pocket holds the gel insert over the lower lumbar region. Plush, ventilated elastic panels provide cool and comfortable compression and overlap to give a contouring shape to most body types. Two anti-roll stays keep the support in place and prevent rolling. Easy hook and loop closure. Color: Black.

Available in sizes S - XL
